

**PRODUCT DESCRIPTION**

Thick clear glass globes are hand-blown in organic forms with irregular bubble patterns. The profiles are small and can be installed singularly or in groupings for a unique configuration on wall and ceiling surfaces. The metal accents are finished in Polished Chrome to add reflection to the composition of the shades that encase an LED light source within. Three size options available. ADA options are also available. Neutral 3000K Color Temperature.

**MEASUREMENTS**
