PRODUCT DESCRIPTION

Coastally inspired, the wide brimmed aluminum spun shade on this series of outdoor rated sconces, pendants, and flush mounts features a tiered shade design. The ringed separation features a filigree of oval cut outs, whereby a single lamp illuminates the Satin White glass supporting it. The resulting light is dispersed both above and below the spun shade as well as through the patterned filigree. Both modern and classic homes can appreciate this classic design reimagined. The series is available either in Matte Black or a striking Two-Tone Black with Antique Brass.
