

PRODUCT DESCRIPTION

Pure geometry, tailored for the bath. The Sideline Vanity light extends a streamlined aluminum bar that washes light in both directions, creating a clean, modern effect. A simple color temperature selectable switch toggles through five color temperatures - 2700 K, 3000 K, 3500 K, 4000 K, and 5000 K - so you can match the mood or task at hand. Finished in luxurious Natural Aged Brass or crisp Polished Chrome, this design is also available as an outdoor-rated sconce finished in powder-coat options that offers that same seamless look throughout the home, see Sideline: Outdoor.
