

PRODUCT DESCRIPTION

This classic cylinder design has been made ultra-thin intending its use in applications requiring ADA compliance. The sconce casts generous lighting both upwards and downwards using dedicated, high-powered LED. Concealed within the frame, there is a range voltage 120-277V LED driver making this a great option for light commercial as well as residential applications. Available in Matte Black, Architectural Bronze and White outdoor powder coat finishes. For Dark Sky applications, make use of the optional Dark Sky Cap available.
